HYPTEC HT		ELITE		ULTRA- GULL WING DOORS	
Overall Dimensions & Weight	Overall Length (mm)	4935			
	Overall Width (mm)	1920			
	Overall Height (mm)	1700			
	Wheelbase (mm)	2935			
	Curb Weight (kg)	2090			
	Battery Capacity and Type	72.7 Iron Phosphate Battery			
	Driving Range	450km WLTC. 600km CLTC. 510km Real World Estimate.			
	Trunk Capacity (L)	55L Frunk and 670L-1802L Trunk			
Seats	5				
Chassis & Performance	Engine Type	Single Electric Motor			
	Charging Speed	Fast Charging: 15-Min Charge 10% to 70%			
	Drivetrain Type	BEV (Battery Electric Vehicle)			
	Transmission	Electric Vehicle Single Speed Gearbox			
	Power (kW and Horsepower)	242HP or 180KW			
	Torque (NM)	355 NM			
	Suspension	Front Double Wishbone Independent Suspension and Rear Five Link Independent Suspension			
	Steering Column	Height Adjustable and Tilt			
	Drive Mode Select	Eco / Normal / Sport Select			
Wheels	19" Alloy Wheels, 245/55R19				
Brakes	Front Brake: Disc Ventilated - Rear Brake: Solid Disc				
Seats	Front Seats Material	Nappa Leather Seats			
	Front Seat Adjustment	8 Way Power and 4 Way Pneumatic Lumbar for Driver / 6 Way Power and 4 Way Leg Rest Adjustment for Passenger			
	Front Seat Features	Massage Seating Function with Passenger Footrest and Seat Ventilation			
	Rear Seat Features	Foldable Tray Table and Footrest with 143 Degree Large Angle Recline			
Interior & Convenience	Infotainment Display	14.6 High Definition Touch Screen			
	Cameras and Sensors	360 Degree Surround View Camera System with Front and Rear Parking Sensors			
	Phone Connectivity	Apple CarPlay with Wireless Charging			
	AC System	Dual Zone Automatic Airconditioning with Air Butler Plus Package			
	Steering Wheel and Interior Type	Ultra Fiber Leather Steering Wheel and Soft Interior Touches			
	Interior Lighting	Intelligent Interior Ambient Lighting			
	USB Setup	1 Front USB port with 2 Type C Port and 1 rear Type C Port			
	Audio System	Premium Quality HIFI 22 Speaker System with Dolby Atmos			
	Driving Assistance	Adaptive Cruise Control System (ACC)			
Power and Utility	V2L (Vehicle to Load) 220V, 3.3kW				
Key	Key and Start Features	Keyless Starting and Entry with Remote Control Engine Start			
Exterior	Sunroof	Heat Insulating Panoramic Sunroof with Electric Sunshade		Heat Insulating Panoramic Sunroof	
	Window Features	Double Layer Soundproof Glass with One Touch Up & Down and Anti-Pinch			
	Doors	Frameless		Rear Gullwing Door	
	Trunk Controls	Electric Power Tailgate			
	Vehicle Lighting	Automatic LED Headlights, LED Daytime Running Lights, LED Tail Lights, Rear LED Fog Lights			
	Mirror Features	Power Folding Side Mirrors, Heated Exterior Mirrors with Memory Functions and Automatic Anti-Dazzling Interior Rear View Mirror			
Safety	Airbag System	6 Airbag System with Full Side Curtain Protection			
	Child Safety	ISO-FIX Child Safety Seat Interface and Electric Rear Child Safety			
	Anti lock Braking System (ABS)	Prevents wheel lock up during hard braking, improving control			
	Electronic Stability Program (ESP)	Maintains stability by preventing skidding in sharp turns or slippery roads			
	Electronic Brakeforce Distribution (EBD)	Adjusts brake force per wheel for better stability and braking power			
	Hill Start Assist (HHC) with Auto Hold	Prevents rollback on inclines, making uphill starts easier and safer			
	Hill Descent Control System (HDC)	Automatically controls speed on steep descents, ensuring safe and steady downhill driving.			
	Tire Pressure Monitoring (TPMS)	Alerts you to low tire pressure, enhancing safety and fuel efficiency			
	Engine Immobilizer with Anti Theft Alarm	Prevents unauthorized engine start, enhancing vehicle security			
	Integrated Cruise Assistance (ICA)	Enhances Driving with Adaptive Speed Control and Lane Keeping Support			
	Automatic Emergency Brake (AEB)	Automatically brakes to prevent or reduce impact in potential collisions			
	Front Collision Warning (FCW)	Alerts you if a frontal collision is imminent, providing time to react			
	Lane Departure Warning (LDW)	Warns you when you unintentionally drift out of your lane			
	Lane Departure Prevention (LDP)	Actively steers to prevent unintentional lane departure, enhancing safety			
	Intelligent High Beam Control (IHBC)	Automatically adjusts high beams to avoid dazzling others, enhancing nighttime safety			
	Blind Spot Detection (BSD)	Warns you of vehicles in your blind spots to prevent unsafe lane changes			
	Rear Cross Traffic Alert (RCTA)	Warns of approaching traffic when reversing out of parking spots			
	Rear Collision Warning (RCW)	Alerts driver to potential rear-end collisions, enhancing safety or reversing
